SUMMARY

As a undergraduate and self-taught programmer, I am eager to leverage my skills and experience to contribute to innovative projects in the tech industry. I am passionate about learning and problem-solving, and I am excited to be a part of a team that is constantly pushing boundaries and creating impactful solutions.

I am now seeking an opportunity to work with a team of experienced engineers to further develop my skills and gain valuable experience in the field. I am highly motivated, detail-oriented, and always eager to learn new technologies and tools.
